HEN PARTY DARES

What you'll need...

- Set of dares (see below)
- Pair of dice
- Some equally crazy girlfriends

How to play...

- Print out our dares below. If you want to be really fancy you can laminate them (there's a chance they might get drips of cocktails on them if you're partying hard enough)
- Each of the hens/players/daredevils takes it in turn to pick a category; *Cheeky, Video, Photo, Random*. They then roll the dice to decide which dare they must perform.
- If a dare has already been performed by another player then the second player must take dare no.1 (as it's impossible to roll 1 with two dice).
